Atharv-Verma

Atharvverma1234

Skills

Programming Languages: Java, C/C++, JavaScript, Python

Frontend: HTML, CSS, Tailwind CSS, React.js, Vite

Backend & Databases: Node.js, Express.js, FastAPI, MongoDB, MySQL, Redis

AI/ML & Automation: Scikit-learn, XGBoost, Groq LLM, n8n

DevOps & Tools: Docker, Docker Compose, Git, GitHub, Git Bash, REST APIs, Postman, Socket.IO

Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, API Development

Experience

Open Source Developer

Jan 2026 – Mar 2026

Social Winter of Code — HTML, Tailwind CSS, JavaScript, TypeScript

- Won Winner & Top Contributor award for delivering high-impact contributions across 5+ open-source projects.
- Improved UI/UX and resolved bugs across Proofolio, TourEase, Nutrivigil, ShareBite, and GroqTales; implemented new features including testimonials and multilingual support.
- Collaborated with maintainers through pull requests, code reviews, and issue resolution, following industry-standard Git and Agile workflows.

Frontend Developer Intern

Nov 2025 – Dec 2025

CODEXINTERN — React.js, Tailwind CSS, JavaScript

- Built responsive, cross-browser frontend components and interactive user interfaces using React.js and Tailwind CSS.
- Collaborated with mentors and cross-functional team members to implement feature requests and resolve frontend bugs, improving UI performance.

Java Full Stack Intern

Feb 2025 – Mar 2025

Zidio Development — Node.js, Express.js, JavaScript, MySQL

- Built and deployed RESTful APIs with full CRUD functionality, structured JSON responses, and robust error handling using Node.js and Express.js.
- Documented API endpoints, setup instructions, and testing workflows, maintaining modular, scalable, and production-ready code architecture.

Open Source Developer

Dec 2024 – Feb 2025

Kharagpur Open Source Society — JavaScript, HTML, CSS, JSON

- Delivered merged contributions to Travel.Website, CalcDiverse, and Beautiify during KWOC 2024 using JavaScript, HTML, CSS, and JSON.
- Collaborated with maintainers through pull requests and code review cycles, resolving issues and improving feature functionality.
- Strengthened expertise in collaborative development, version control (Git/GitHub), and production-level open-source workflows.

Projects

SENTRI

Apr 2026 – May 2026 Node.js, Express.js, MongoDB, FastAPI, n8n

- Built the Node.js backend for SENTRI, an AI-powered ICU deterioration monitoring and escalation platform handling real-time patient workflows.
- Designed and implemented RESTful APIs for patient management, vitals ingestion, prediction handling, AI-generated summaries, and alert orchestration using Express.js and MongoDB.
- Integrated FastAPI-based XGBoost machine learning inference services and implemented rolling-window vitals processing for continuous temporal risk analysis.
- Automated ICU escalation workflows using n8n, triggering real-time Telegram and email alerts for critical patient conditions.

Pulse-Ops

July 2026 - Aug 2026 React, Node.js, FastAPI, MongoDB, Redis, Socket.IO, Docker, n8n

- Built a Dockerized real-time DevOps monitoring and incident intelligence platform for infrastructure metrics, anomaly detection, and automated incident management.
- Implemented Isolation Forest-based anomaly detection, Redis-powered metric processing, threshold-based alerting, cooldown deduplication, and per-host risk scoring.
- Integrated Groq LLM-based root cause analysis and n8n automation workflows for multi-channel Slack, Telegram, and Email incident escalation.

Education

B.Tech. in Electrical & Electronics

2023 – 2027

Dayananda Sagar College of Engineering, Bangalore

CGPA: 8.38 / 10

ISC (Class XII)

2021 – 2022

St. Francis College, Lucknow

92%

Certifications

- Google Prompting Essentials – Coursera, 2026
- Google AI Essentials – Coursera, 2026
- Gemini Certified Educator – Google for Education, 2025
- Gemini Certified Student (University) – Google for Education, 2025

Achievements

- Winner & Top Contributor in Social Winter of Code 2026.
- Reliance Foundation Undergraduate Scholar awarded by Reliance Foundation in Feb 2024.
